

The Lucknow Public Collegiate

Ruchi Khand I

Sharda Nagar, Lucknow

The Lucknow Public Collegiate is one of the most prestigious schools in Uttar Pradesh. It was founded in 1986 as a co-educational, residential public school in Lucknow by Dr. Jawaid Alam Khan and Mr. Sartaj Alam Khan. It is the pioneer in Day-Boarding schools of Uttar Pradesh.

The Lucknow Public collegiate is affiliated to the Central Board of Secondary Education (CBSE), which is the largest educational board in the country.

The school aims to ensure that its students achieve their highest academic excellence, intellectual growth, art, athletics and high standard of ethical awareness, sportsmanship and community service. The school's traditions and accessibility to a board curriculum add depth to each student's life.

The school upholds the founder's commitment to excellence in all fields, with emphasis on its motto "Success through Labour".

The school has been built to accommodate 2000 students. Its facilities allow students to participate in the widest possible variety of activities. This ensures that each student can find and develop his own individual talents. The aim of the collegiate is to create multifaceted talents, capable of achieving their highest academic potential alongside shaping their overall personality.

AIM AND OBJECTIVES

The school considered education to be a lifelong process which should have a strong foundation. The aim of the school is to inculcate in the student a love for learning and a desire to excel at every level. The school also aims at equipping the

students with the intellectual and practical skills that are necessary to meet the challenges in the future.

TO FULFILL ASPIRATION OF STUDENTS

- To learn, grow up and mature in a stress free, interactive and self-paced learning environment offering a rich variety of educational choices.

TO FULFILL ASPIRATION OF PARENT

- To be reassured that the highest quality educational experience is available to their child in a stress free and safe and disciplined environment.
- To enjoy the satisfaction that they have chosen the best school for their children.

TO FULFILL ASPIRATION OF SCHOOL STAFF

- The school provides adequate job satisfaction, (Recognition and Remuneration) along with many other ancillary facilities to its staff members.
- Scope and encouragement for experimentation and innovation.
- Access to a fully automated work environment.

OUR STRATEGIES

Pedagogical strategies

- Use of Smart Technologies in class lectures – Smart Class is a digital initiative and is transforming the way teachers teach and students learn in schools. It's a new age technology movement in India. At the core of SMARTCLASS, is a vast repository of digital instruction materials exactly mapped to meet with the specific objectives laid out by different learning standards and curricula. This depository is aggregated and continuously populated through ongoing developments. The content repository consists of thousands of highly

animated, lesson specific, 3D and 2D multimedia modules built with an Instructor-led design that allows the teacher to effectively explain the lesson in a typical classroom of diverse set of learners.

- Design Techniques strategies.
- Project Based Learning (Variety of Labs, Science, Math, Languages)
- Case studies: Study Tours, Role Play etc.
- We promote active reading habit and writing practice or calligraphy through awards.
- Remedial classes for slow learners.
- Supplementary strategies for high achievers (Projects)
- Personality and soft skill Development programs.
- Continuous and comprehensive evaluation (grading)
- Enforcement strategy through Inter house competition.
- Variety of Inter House and Inter School competitions in academic co-scholastic and sports discipline.
- Promote Hobbies Interest and Youth club Activities.
- Periodic Appraisal of curriculum.
- Build Pivotal Role for School Library.
- Web enabled parental access to student record (Through school website)
- Support teachers for qualification enhancement.
- Monitoring of staff through periodic interviews.
- Monitoring of teaching and syllabus through expert supervisors.
- Teacher's workshops to keep them aware & updated for the latest in the field of education.

LPC CREDIT CARDS / STAR OF THE MONTH

(From The diary)

FACULTY

The collegiate employ only experienced and well trained CBSE staff. The teachers are carefully selected to ensure that they have the experience and the required dedication to support every student regardless of the academic level. Each faculty member is both a teacher and a scholar, an expert in his or her own field. The faculty of the Lucknow Public Collegiate consists of 45 full time highly qualified & trained teachers who have extensive teaching experience in their respective field.

The Faculty not only imparts instruction through the regular teaching periods, it also engages students in a variety of activities e.g. to conduct the morning

assembly, bring out school publication, arrange and participate in cultural shows, inter-house & various inter-school competitions etc. The teachers are also involved in school activities, cultural programs, sports day program, annual concerts etc.

The teachers willingly provide extra classes for those requiring extra help or to support students as school Board examination approach.

1. RECEPTION

The school reception area is big and spacious. It's a place where the reception staff welcomes, attends and guides the visitors in the most cordial manner. The reception room is fully air-conditioned with comfortable chairs for the visitors to sit and have a glance of LPC history on a big LED. This is the area where new admission forms are sold and they have all the details of the students and school staff members and about the school.

2. FEE OFFICE

The fee office, adjacent to the reception is also fully air-conditioned with three experienced members who manage all the school records, collection of fees, salary records, and handle income and expenditure details.

3. Mathematics Laboratory

Mathematics Laboratory consist of one of the most advanced and unique facilities of the school. It is equipped with all the material related to math. The phobia of mathematics vanishes and learning mathematics becomes a fun filled activity in Mathematics Laboratory. The Lab is fully equipped with charts models and paper cutouts of different shapes.

Students from classes III to XII learn Mathematics with model and practical project in order to learn a subject a simpler way. Number of experiments and paper folding activities in the lab help children clarify the different

mathematical concepts. The school has a dedicated Mathematic society which delves into the greater mysteries of the intriguing and essential subject. Learning advanced mathematical concepts with the help of high-end computers, advanced software and facilities and great teachers.

4. Principal's Office

This room is fully furnished and air-conditioned and considered as the heart and brain of LPC. The Principal and Joint Director Dr Jawaid Alam Khan interacts with the parents, students and other delegates. It's the power house providing guidance & motivation which makes it different from other schools.

5. Sports Room / Complex

The school recognizes that sport should be an integral part of every student's life. We also realize that students should be able to enjoy sports at their appropriate level. For some students, the aim must be to perfect their skills in one or more spots to allow them to represent the school at a higher level. For others, the aim will be to gain maximum enjoyment from sports, for some it might be to improve fitness and health. The sports programme and sports periods has been carefully organized to cater for all of these needs.

The school provides the facilities for Cricket, Football with designated grounds for each, along with Basketball, Volleyball, Softball courts and Table Tennis, Badminton hall.

The sports department has two well qualified and experiences PET's under their guidance the school reached state and national levels in sports. The Sports room is also well equipped with all games and sports items. Hobby/P.T. and games have given place in the school time table every alternative day so that the students get a break & fresh breath.

6. MUSIC AND DANCE

Music is an integral part of the school. Each morning assembly begins with a carefully selected piece of music. Students are encouraged to learn and listen to music as a means of relaxing, meditating and understanding.

Students from classes Nursery to XII get two periods of music in a week as part of their CBSE course. Here the emphasis is on building an understanding of ragas and rhythms of Indian and Western music.

We have a music room well equipped with different instruments like Table Harmonium, Flute, Casio, Dholak and Synthesizer etc. There are two trained and experienced Indian and Western music teachers under whose guidance our school has won many school, city, state and national level programmes.

Indian Classical Dance forms part of the school's wider programme with students being eager to perform willingly. Twice in a week we have dance period in every class from Nursery to X and separate Hobby classes for dance. Our school has won many city, state and national level dance competition.

7. THE SCHOOL LIBRARY

Our school library is built in the wide are of 2250 sq. ft. approx. The library is extremely well resourced and is catalogued and managed by a trained professional librarian.

To inculcate in student a taste for reading right from childhood, the school has fully furnished library containing academic, informative and motivating books including encyclopedias, varied range of fiction in English and Hindi.

A large number of daily news papers weekly and monthly magazines and educational journals are subscribed. The library is fully air-conditioned with the capacity of 100 readers at a time.

The library has a vast collection of more than 5000 fiction and non-fictional books. All important test-papers and important records are kept in the library for consultation whenever needed. To avail the facility of library, students are

issued library cards and each class is allotted period for library. Besides the scheduled periods students are given special permission to use library for preparing for competitions making projects or enhancing knowledge in general. Thus it motivates students to sail in the ocean of knowledge without hurdles.

Our resources in the library are constantly revived and revised so that students have access to the very latest books and material.

8. COMPUTER LABORATORY

To develop interest and expertise in information technology and computer education, the school has computer laboratory fully equipped, with computers approximately with the latest configuration and software installed. The computer laboratory facilitates the teachers and students to explore the world through interest and update their knowledge. The school has a WIFI campus.

We have well qualified experienced teachers with updated knowledge of computers.

9. SCIENCE LABORATORIES

To inculcate scientific spirit and aptitude the school has spacious, furnished, well equipped Physics, Chemistry and Biology laboratory.

Keeping in tune with modern times our school ensure that practical knowledge is placed on an equal footing with theoretical knowledge for the all round development of the students. For this purpose, the school has laboratories in numerous disciplines which provide in depth knowledge to its pupils. The student friendly atmosphere in these laboratories help to enrich the overall personality of the students through motivation and reinforcement.

10. PHYSICS LABORATORY: Physics Laboratory is equipped with all latest apparatus required. The lab enables our future physicist to learn the toughest

laws of physics in the easiest way with maximum clarity. Each laboratory is provided with trained laboratory assistants – the entire day.

11. **CHEMISTRY LABORATORY:** The chemistry lab is the most suitable places for the budding scientist to understand the mysteries and elements of nature and nourish spirit of experimentation and discovery. The lab is fully equipped with all necessary equipment and chemicals of the best quality. Teachers and Lab assistants provide full cooperation to students besides taking care of their safety during experiments.
12. **BIOLOGY LABORATORY:** The lab is equipped with all necessary apparatus, equipments charts, models, and huge variety of specimens which help future scientist and medical aspirants in studying life process and human anatomy in a smooth manner.
13. **Auditorium:** The Air-Conditioned Auditorium is situated on the topmost floor of south block. In is equipped with the most modern audio-visual facilities and has a massive seating capacity of approximately 300 people. The auditorium hosts numerous events including convocation ceremony, annual day, award functions, inter-school and intra-school competitions. Plays, dances, quiz, meeting, and group, discussion are also conducted here.
14. **Our Classrooms:** The school has spacious and airy classrooms built to provide the most appropriate environment for focus & concentrate. All the class rooms have two door for entry and exist with three big window for air ventilation. Every class is equipped with 5 fans six tube lights in the set of three, two large green ceramic board and a white board to be used by Smart Class projector. Teaching is done through both modern smart classes and old traditional methods of books and black boards. All the classes have proper seating arrangement for the students. The class rooms also have 2 small and 1 big soft boards to display student's activities and teaching aids.

15. **School Hostel:** Being a day boarding and boarding school our school provides hostel facility for boys 8 years plus. The hostel can accommodate 70 students the hostel is located just after the sports rooms. It is fully air-conditioned hostel and has all the facilities to make them feel at home. There is constant supervision and monitoring of the student's activities and emphasis is laid on their safety. Movement outside the hostel requires a written permission from the respective wardens. Our boarding house has four wardens who are like parents to the students.
16. **DINING HALL** The school dining hall can seat 55 students at a time. For Breakfast, Lunch and dinner healthy and nutritious food is cooked in the supervision of school kitchen incharge, Students have their food in the presence of the warden so that they learn table manners and Good eating habits.
17. **Staff Rooms:** The LPC has individual staff rooms for its faculty members in every block. The staff rooms are fully furnished keeping in view the convenience of the teachers.
18. **Canteen:** The School has a canteen where a variety of food items such as ice-creams, patties, fruit juices, wafers and biscuits, are sold during recess.
