General

No student is allowed to carry his/ her report card home. The parents are required to personally see and sign the card when they attend the parent teacher meeting at the end of each examination.

The report cards of every child will be kept in their personal files as long as he remains a student of the school. In this way we are able to maintain a complete record of the child's performance over the year. This system has been greatly appreciated by the board.

Parents are expected to co-operate with the Collegiate authorities and the teachers by enforcing upon their wards regularity, punctuality and neatness. The note books and lessons must also be regularly supervised by you. The students must be encouraged to take active part in the collegiate activities and inter house competitions. Do ensure that your ward comes to school in proper uniform and that his/her note-books are signed by you as and when asked by the teachers.

If a student is unable to attend the school a leave application must be submitted to the Principal. **SHORT LEAVE OR HALF DAYS LEAVE IS NOT PERMITTED.**

Parents are requested to make sure that no student carries a mobile phone to school. The phones once confiscated will not be returned. Students are strictly prohibited from using scooters, motor cycles and cars for commuting to and fro to school unless they possess a valid driving license and helmet. A strict action will be taken against the defaulters.
